

## Desfosses Eastern Trail Side Trip

In 2006 the Town of Scarborough and the Desfosses family opened a beautiful, quiet, one-mile, dead-end segment of the ET along the Nonesuch River and Scarborough Marsh. Visit it by following Eastern Road NE from Rt. 207. Someday this segment will connect off-road with the South Portland Greenbelt section of the ET. It's show as the Eastern Trail Segment with the ETS symbol.
