

# TOGETHER, WE CAN CLOSE THE GAP

## In the Eastern Trail

### NOW

The Eastern Trail Alliance wants to take the 1.6-mile Scarborough and South Portland leg that currently shares the road with cars, and divert it to a scenic off-road route consistent with the rest of the trail. This will involve not only clearing a path but also building two significant bridges. The work is all planned and 75% funded, but the remaining funds must be raised by the end of this year.

## Your donation can make it happen.

Donate now from your phone at [www.active.com/donate/closegap](http://www.active.com/donate/closegap)

Or **send a contribution** through the mail to ETA, PO Box 250, Saco, Me 04072. Grab a card from the rack as a reminder.
